Make 2 bodies.

On one of the bodies you put three buttons on the tummy, and two eyes on the head, by making French knots. Embroider a red mouth. Weave in all the ends.

Joining the bodies (with white yarn):

Lay them with the wrong sides together and with the embroidered body on top. Join them by making ss in the back loops of both bodies. Weave in all the ends and put a hanger in the top of your gingerbread man. If you are using a yarn kit from Favoritgarner you can make two ginger bread men.
