

### *Hat Autumn Breeze - Design Ellinor Widéen Frostvirka*

**Yarn:** Viking Björk ("old" Björk 90 % cotton and 10% merino wool, "new" 50 % cotton and 50 % bamboo) 1 ball x 3 colours. Depending on your crochet gauge, you might need an extra ball of colour A (the rib). The colour numbers in the photo are: 503, 520, and 523.

**Alternative yarn:** Arwetta Classic Filocana (80 % merino wool, 20 % nylon) 1 ball x 3 colours. You can find a hat made in this yarn on the blog. I have used colours 955, 956, 957 and three stripes in 807.

**Hook:** 3,0 mm for the first part (rounds 1 - 8), 2,5 mm for the following rounds (9 – 52)

**Size:** Adult. In Arwetta Classic your hat will be smaller than in Viking Björk, so it is important to try the hat after the first round so it fits.

If you want a bigger size, add ch 4 from the start. If you want a smaller, decrease ch 4. If you want a bigger or smaller hat than that, increase or decrease 8, 12, 16 etcetera. NOTICE that the stitch count on the rounds will differ if you make it bigger or smaller.

**Round 1:** Ch 3 (acts as dc). 1 dc in each st around, sl st in initial ch 3. **124 dc**

**NOTICE:** Try it on to see that it fits before you continue.

**Round 2:** Ch 3 (acts as dc), dc, 1 frpdc in each of the following 2 dc, (1 dc in each of the following 2 dc, 1 frpdc in each of the following 2 dc) repeat around, sl st in initial ch 3.

**Rounds 3 – 8:** Ch 3 (acts as dc), dc, 1 frpdc in each of the following 2 frpdc, (1 dc in each of the following 2 dc, 1 frpdc in each of the following 2 frpdc) repeat around, sl st in initial ch 3.

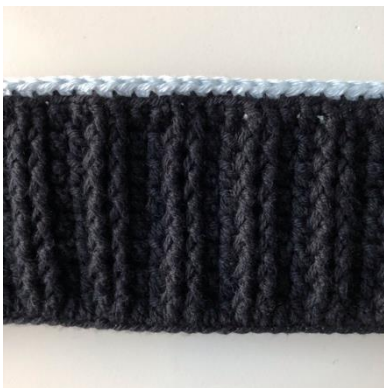

If the rib starts to look curly, it will become flat again if you block it when the hat is finished.

*Two different ways to make the second part of the hat:*

1. *It is worked in the round without a sl st when the round is finished. It can be helpful to use a st marker so you know when a new round starts. When you change colour, leave the last sc before the colour change unfinished, and close the st with the new colour.*
2. *Each round ends with a sl st. If the next round starts with a sc, ch 1. If it starts with a hdc, ch 2.*

Fasten off, but keep a long end to sew your hat together with at the top. Sew through every second st and pull. Sew in all the ends on the inside.
