

Hotpad – Dinner for two – design by Ellinor Widéen Frostvirka

Yarn: 3 balls of Katia Capri from favoritgarner.se is what you need to cover 2 cork hotpads in size 22 cm across.

Hook: 3,0

Tips:

- Notice that your hotpad cover need to be tight. That is why your crochet cover will not lie flat when you crochet the last rows.
- If you start your next round with the same color as the previous one, your first dc is made by ch 3.
- If you have any questions concerning the pattern, you can always contact me at frostvirka@gmail.com and I will try to answer as fast as I can.

Round 12: CL A, 1 dc in each st around, sl st in dc. **96 dc**

Round 13 - 14: CL A, 1 sc in each st around. Save a long end after your last round. **96 sc**

NOTICE, if you crochet very tight and feel that your crochet cover is too small for your cork hotpad, just add a few more rounds with sc in each st until it fits.

Weave in the ends, except the one on your last round. Cover your cork hotpad with your crochet cover and use the long end to make it fit as tight as you want it to (you might want to take it off now and then to wash it, so do not fasten it too tight)

I have also made a smaller cover for a cork hotpad in the size **18** cm across. But, for this one I used 4 colors of leftover yarn so the colors A-C are not the same as in the photo.
